

2017 Dachshund Rosé Pinot Noir Qualitätswein Rheinhessen

Variety:	Pinot Noir Rosé
Origin:	<p>Germany, Rheinhessen.</p> <p>This is a carefully crafted wine from the German Rheinhessen region. Vines are grown along the rolling hills of the Rhine River. Rheinhessen, the largest German wine-growing area has a more than thousand-year-old tradition of wine-growing.</p> <p>Rheinhessen enjoys the climate of a protected basin. It is an area with some of Germany's warmest and driest climate. Overall, it has low precipitation, warm summers and mild winters.</p> <p>Like this Rosé, Dachhunds are clearly influenced by their place of origin. Amusing, clever, affectinate and brave, they are cunning rascals at heart and very curious creatures.</p>
Vintage Note:	<p>2017 was a demanding year with capricious weather conditions such as severe frost in late April, a too dry late spring and early summer, followed by a historically early harvest and historically low yields. Grapes were harvested at excellent ripeness levels. Wines are intense, fruit driven with very good structure.</p>
Winemaking:	<p>To produce this Rosé grapes from selected vineyards have been chosen. Grapes were pressed immediately after crushing and were fermented with selected yeasts in temperature controlled stainless steel tanks until bottling.</p>
Wine Analysis:	<p>Alc. 12.0 % vol. Residual Sugar 6.0 g/l = 0.6 % Acidity 6.5 g/l</p>
Winemakers Tasting Note:	<p>This crisp and fresh Pinot Noir Rosé is lively with cherry and strawberry aromas. It offers a great taste experience.</p>
Food Matches:	<p>It goes very well with starters, white meat and pasta. Serving temperature: 8-10°C</p>
