**Surprisingly floral on the nose and initially smooth on the palate followed by firmly structured tannins. Ripe and rich creamy oak, lots of plum and cherry character. Distinctive and elegant with a long pleasant finish.**

**The grapes were chosen from one of California's prime grape growing regions, the Napa Valley. This Merlot has rich, full taste and beautiful deep ruby color. It is suitable to sip alone or it will compliment any hearty appetizer or main course and it will pair excellently with Mediterranean dishes.**
