Pinot Grigio 2010

Origin:

This 100 % Pinot Grigio comes from the Nahe region in Germany. Although of the smaller German wine regions, its extraordinary range of soil types is second to none. For this reason, the region is able to produce quite diverse wines from relatively few grape varieties. Pinot Grigio is planted at sites with loam, loess and sandy soils with the result of fuller bodied, still very elegant styles.

Winemaking:

It was hand picked early October 2010 and fermented temperature controlled in stainless steel tanks with selected yeasts.
