

DACHSHUND *Riesling*

**100% Riesling from Rheinhessen, Germany
Riesling Qualitätswein**

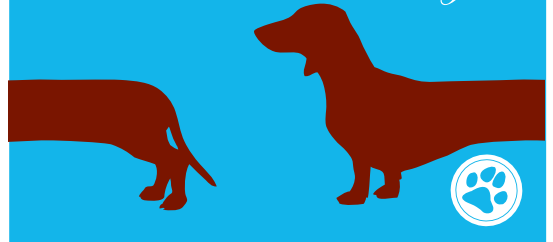

The wine is full flavored with both pear and citrus fruit aromas. Stimulating on the palate, as well fresh and fruity it has a nice sweetness balanced with the typical crisp Riesling acidity and a long- lasting finish. Pair with tangy Asian dishes and citrus-based salads. Also goes with rich, luscious cheeses, such as brie and camembert.

Like the crisp Riesling, Dachshund is a tribute to their proud German ancestry. A review:
